Confirmation of Reach Regulation (EC) No 1907/2006

REACH stands for Registration, Evaluation, Authorization and Restriction of Chemicals and in effect since 1st of June 2007. This Regulation has been enforced to improve the protection of human health and reduce environmental risks that can be posed by chemicals.

Compliance with this regulation is therefore a primary objective of our corporate policy. As manufacture, we are in accordance with the REACH definition downstream user and product manufacturers.

We, CAPTRON Electronic GmbH hereby confirm, in accordance with regulation 1907/2006/EC of the European Parliament and the Council of 18th of December 2006 according to article 33, that the manufactured & delivered product

safeCAP (SCA4 – SCB4)

do not contain more than 0.1 % by weight (w/w) of any substances listed in the candidate list (201 substances) in Annex XVII of the REACH Regulation. Furthermore we certify that the product will not release any of the substances according Art. 7 REACH Regulation in it's dedicated use.

We are obliged to inform our clients immediately, if there are substances in the product delivered by us containing more than 0.1 % per weight (w/w) that will be added to the candidate list of Annex XVII of the REACH Regulation.
