certificate
no. **ET 26005**
dated 29.01.2026

DGUV Test
Prüf- und Zertifizierungsstelle
Elektrotechnik
Fachbereich Energie Textil
Elektro Medienerzeugnisse
European notified body
Identification number 0340

Translation In any case, the German original shall prevail.

EC Type-Examination Certificate

Name and address of the holder of the certificate: (customer):	**CAPTRON Electronic GmbH** **Johann-G.-Gutenberg-Straße 7** **82140 Olching** **GERMANY**
Name and address of the Manufacturer:	CAPTRON Electronic GmbH Johann-G.-Gutenberg-Straße 7 82140 Olching GERMANY
Product designation:	Two-hand Control Devices
Type:	SENSORtaster safeCAP SC4 A+B with two-hand Safety Relay MCR-225 SENSORtaster safeCAP SC4 A+B with two-hand Safety Relay PNOZ s6
Intended purpose:	

Testing based on:

DIN EN 60947-5-1	Low-voltage switchgear and control gear – Part 5-1: Control circuit devices and switching elements – Electromechanical control circuit devices	2018-03
DIN EN ISO 13849-1	Safety of machinery – Safety-related parts of control systems – Part 1: General principles for design	2023-12
DIN EN ISO 13851	Safety of machinery – Two-hand control devices – Principles for design and selection	2019-11
GS-ET-20	Supplementary requirements for the testing and certification of safety relays	2020-04

Remarks: The safety function will be carried out with category 4 PL e of DIN EN ISO 13849-1:2023-12 and the product is appropriate to III C two-hand control devices.

The type tested complies with the provisions laid down in the directive 2006/42/EC (**Machinery**).

The present certificate is valid until: **31.12.2030**

Further provisions concerning the validity, the extension of the validity and other conditionsare laid down in the Rules of Procedure for Testing and Certification.

Az: NP.520.39/25-010-VT01/VPig
